- ZooBorns

***small group books for Ms. U about baby animals.

***Sight words: for, have, but, down**

****Please review ALL sight words as each student will be tested for the report cards on sight words next week. Thank you! ****

Kindergarten News

Mrs. Dangel's Class

February 21st. 2020

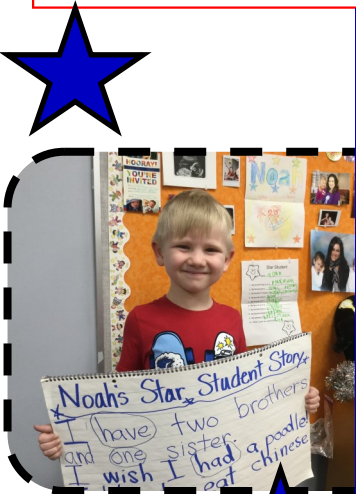

Dear Parents,

This week we finished up our weather unit by learning a bit about the water cycle and clouds. We love the song about the water cycle and out a diagram in our science notebooks. We also drew about 2 kinds of weather in our notebooks.

In math we also finished place value with a QR code activity to review skills, practiced drawing a picture of numbers using "ten sticks and ones circles", used games and an app to build numbers and more. We did very well on this assessment on Friday. We briefly talked about coin names with a connection to President's Day with our Let's Find Out magazines.

Our vocabulary words (behavior, appearance, features) about animals and writing facts were a great connection. We practiced fact writing together using a book we had read about cubs. We wrote our topic sentence and one fact together then the kids wrote two more facts on their own. We will practice and assess fact writing next week as well as sight words. Have a great weekend!

Noah Mattison was our star of the week! We loved seeing all the pictures from his 1st birthday!

Ms. U has an Unusual Umbrella

We enjoyed meeting our last vowel Ms. U. We practiced fact writing about her in our journals by looking at her appearance and behavior of being able to fly! We read and wrote words for her including a write the room activity with all short u words to read and draw to show we understand.

Upcoming Dates

*Panda Express day is today Feb. 21st

*PTA meeting is Feb. 25th

*Bingo night is Friday Feb. 28th at 6 and 6:30 pm. If you cannot play Bingo stop by and bid on the amazing baskets and donated items to help our school! I won some great prizes last year!

*music program is coming up on March 2nd in the evening. Details were sent by Mrs. Cuttler to you.

During RAMS time we talked about how to be a good friend to others. This is something we are trying to practice each day with safe, kind behaviors.
