Books We Read Together  
\*Green Eggs and Ham  
\*The Foot Book  
\*Hop on Pop  
\*Fox in Socks  
\*Oh the things you can Think!  
\*Oh the Places You will Go!  
\*\*\*small group books for Dr. Seuss and rhymes and Needs of humans to connect to science!

**\*Sight words: review all and work on List 5 please!**

Dear Parents,

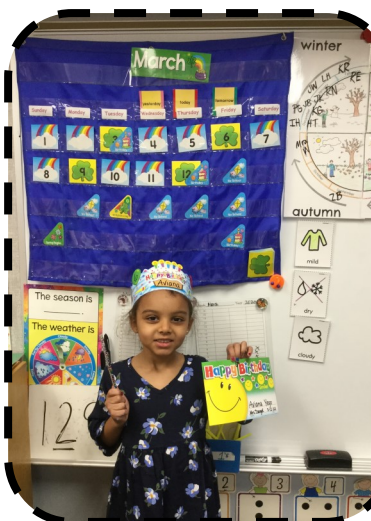

It was a short but busy week in the land of Team Dangel! We reviewed coin names and values in a center and using an app. We also learned to tell time to the hour using an analog clock for math. We used mini-clocks to practice, learned to look for the hour hand first, and wrote the digital times to match a clock as well as matched clocks using an app. Please have your child find the analog clock at home and practice telling time to the hour over break!

In science we learned and reviewed about what humans need to survive. We wrote and drew the answers in our science notebook. We also did the same thing for what animals need to survive. As part of our science assessments.

We loved dressing up and listening to the books the school was reading for Read Across America Week. We also listened to and enjoyed many Dr. Seuss books in Kindergarten. We LOVE having these books at our tables to read when we are done with work. Perhaps a visit to the library to have Dr. Seuss books to read over break would be fun!

I hope you have some extra time to enjoy with your amazing students while they are home next week!

**Happy 6th Birthday to Aviana on March 12th!**

# March

## Upcoming Dates

**\*Spring break starts tomorrow! No School Friday March 13 through Friday March 20th. See you back to school ready to learn everyday on Monday March 23rd!**
